

Program Assistance

The MNjcc offers assistance for various programs for individuals in financial need. Applications for assistance must be received prior to a participant's registration in the program. **Please allow 4 weeks processing time.**

Assistance Information

Financial assistance for MNjcc Music programs is made possible through private donors and the Music Scholarship and Innovation Fund. We are generally able to offer assistance for one year-long program per programming year (Sept - August). If you register on a per-term basis rather than full-year, you may be asked to resubmit your documentation before the next term begins to ensure eligibility. The MNjcc offers assistance for various programs to support financial accessibility. Please contact Wendy Moss at assistance@mnjcc.org for further information.
