## Lane Swim Etiquette

- Choose the appropriate lane for your pace: Fast, Medium, or Slow.
- When entering a lane, give swimmers the right of way and EVERY TIME inform other swimmers that you are entering
- Parallel swimming can be done UNTIL a third person enters the lane. Circle swimming will commence in a counter clock-wise direction when ALL SWIMMERS HAVE BEEN NOTIFIED AND ARE READY
- Allow faster swimmers to pass you once you have reached the end of the pool. Passing in the middle of the lane is also acceptable. IF YOU ARE CONSISTENTLY BEING PASSED, PLEASE MOVE TO A SLOWER LANE
- When pausing at the end of the pool, move to the corner of the lane in order to allow other swimmers to continue swimming laps
- Walking, aqua-jogging and stationary exercises can ONLY be done in the Slow or Rec Swim lane. These activities CANNOT be accommodated during Lap Swim Only times
- Lifeguards have the RESPONSIBILITY and AUTHORITY to ask you to move to a specific lane. You MUST listen to their directions, regardless of the situation. Any comments or concerns can be brought to the Aquatics Manager AFTER THE FACT (aquatics@mnjcc.org)
- The lanes can be crowded at times. Please bring your patience along with your goggles. HAVE A GREAT SWIM!
