Lane Swim Etiquette

- Choose the appropriate lane for your pace: Fast, Medium, or Slow.
- When entering a lane, give swimmers the right of way and inform other swimmers that you are entering EVERY TIME.
- Parallel swimming can be done UNTIL a third person enters the lane. Circle swimming will commence in a counter clock-wise direction when ALL SWIMMERS HAVE BEEN NOTIFIED AND ARE READY.
- Allow faster swimmers to pass you once you have reached the end of the pool. Passing in the middle of the lane is also acceptable.
- If you are continually being passed, please move to a slower lane, if available. Conversely, if you are continually passing others, please move to a faster lane, if available.
- When pausing at the end of the pool, move to the corner of the lane in order to allow other swimmers to continue swimming laps.
- Walking, aqua-jogging and stationary exercises can ONLY be done in the Slow or Rec Swim lane. These activities CANNOT be accommodated during Lap Swim Only times.
- Lifeguards have the RESPONSIBILITY and AUTHORITY to ask you to move to a specific lane. You MUST listen to their directions, regardless of the situation. Any comments or concerns can be brought to the Aquatics Manager AFTER THE FACT (aquatics@mnjcc.org).
- The lanes can be crowded at times. Please bring your patience along with your goggles. HAVE A GREAT SWIM!
